

Vacancy Announcement

National Institute of Public Finance and Policy (NIPFP) is a premier research institution in public economics and policy. The institute has made significant research contribution in the areas of revenue and taxation, fiscal management, public expenditure, macro-economic policies, fiscal federalism and other policy issues both at the Central and the State-level. NIPFP also extends its support to public policy formulation not only through research, but also through representation of NIPFP faculty in various committees and commissions of the Central and State governments.

NIPFP is undertaking research work in the area of “Restructuring Public Sector Units in Tripura” a project sponsored by Government of Tripura. NIPFP is looking to hire a Research Fellow to work on analysing the economic and financial performance of public sector companies using balance sheets and other relevant documents.

The positions are contractual and are renewable subject to performance and fund availability.

Remuneration: The candidates will be offered a competitive fee based on their qualifications, skills and relevant experience.
