CAREER SUMMARY

Versatile macro-financial, fiscal and tax economist; 27 years of experience in policy, operations, and research. Expertise in fiscal policy, public finance, sovereign credit ratings, capital flows, remittances, tax policy, and tax administration. Collaborative abilities, analytical skills, and macro-fiscal forecasting demonstrated in World Bank publications: Global Economic Prospects; World Development Report. Key roles in policy dialogue and advising senior management in national and international contexts such as BRICS. Translated rigorous analytical work into policy reforms for Nigeria's and Ethiopia's remittance frameworks and tax incentive rationalization in India. Technical assistance and capacity building for Egypt's tax expenditure calculations. Training developing country officials at NIPFP, Duke University and World Bank. Indian Revenue Service 1995 Batch.
